

Fig. 1 is a perspective view of a mechanical assembly 10. The assembly includes a controller 18, a motor 20, a pulley 25, and various structural components labeled with reference numerals. The assembly is shown in a perspective view, with the controller 18 positioned at the top left. The motor 20 is located at the bottom left, and the pulley 25 is positioned at the top right. The assembly is supported by a base 12, and various structural components are labeled with reference numerals, including 14, 16, 26, 28, 30, 32, 34, 35, 36, 38, 40, 42, 44, 46, 48, 50, 52, 54, 56, 58, 60, 62, 64, 66, 68, 70, 72, 74, 76, 78, 80, 82, 84, 86, 88, 90, 92, 94, 96, 98, and 100.
